Re: Grant No. 09CH010777

Dear Ms. Mitchoff:

The Department of Defense and Labor, Health and Human Services, and Education Appropriations Act, 2019 and Continuing Appropriations Act, 2019, contains an increase of approximately \$200 million for programs under the Head Start Act for Fiscal Year (FY) 2019. A portion of the increase provides a cost-of-living adjustment (COLA) of 1.77 percent, depending on final funding decisions, to assist grantees in increasing staff salaries and fringe benefits and offsetting higher operating costs.

The following table reflects the increase(s) for FY 2019.

Funding Type	Head Start	Early Head Start
Cost-of-Living Adjustment (COLA)	\$290,745	\$62,754
<b>Total COLA Funding</b>	<b>\$353,499</b>	

### Submission Requirements

Program Instruction ACF-PI-HS-18-06, dated November 30, 2018, informed Head Start and Early Head Start grantees and delegate agencies of the intended uses of these funds and announced the opportunity for grantees to apply for the funds. Please review the Program Instruction carefully to ensure your supplemental application meets the requirements for funding and contains all of the necessary information.

The supplemental application is due March 1, 2019 and must be submitted in the Head Start Enterprise System (HSES) at <https://hses.ohs.acf.hhs.gov/hsprograms>. Please select the Financials tab, Application tab, Fiscal Year 2019 and the budget period to add the 'Supplement - COLA' amendment type. For technical assistance in preparing the application, please contact the HSES Help Desk at [help@hsesinfo.org](mailto:help@hsesinfo.org) or 1-866-771-4737.

Please ensure the program narrative, budget and detailed budget justification submitted in the application documents demonstrate:

- An increase of 1.77 percent in the hourly rate of pay for each Head Start/Early Head Start employee and the pay scale subject to the provisions of Sections 653 and 640(j) of the Head Start Act;
- The rationale if employees are receiving less than the 1.77 percent COLA or differential COLA increases;

- The provision of the 1.77 percent increase to all delegate agencies and partners or justification if the full percentage is not provided to delegate agencies and partners;
- The planned uses for the balance of the COLA funds to offset higher operating costs;
- Each source of non-federal match, including the estimated amount per source and the valuation methodology; and
- A detailed justification that conforms with the criteria under Section 640(b)(1)-(5) of the Head Start Act if the application proposes a waiver of any portion of the non-federal match requirement.

Signed statements of the Governing Body and Policy Council Chairs along with Governing Body and Policy Council minutes documenting each group's participation in the development and approval of the supplemental application must be provided. The application must be submitted on behalf of the Authorizing Official registered in the HSES. **Incomplete applications will not be processed.**

Please ensure the application contains all of the required information. If you have any questions or need assistance, please contact Maureen Burns-Vermette, Program Specialist, at (415) 437-8452 or [maureen.burns@acf.hhs.gov](mailto:maureen.burns@acf.hhs.gov) or Frank Olguin, Grants Management Specialist, at (415) 437-8415 or [frank.olguin@acf.hhs.gov](mailto:frank.olguin@acf.hhs.gov). ## CONTRA COSTA COUNTY

### CSB Admissions Priorities / Selection Criteria 2019-2020 Program Year

Head Start Performance Standard 1302.14 (a)(1) mandates that the program set criteria, based on our Community Assessment, that define the types of children and families who will be given priority for recruitment and selection. Kindergarten is available in all communities that we serve. Due to the community need for full-day, full-year services, and the mandate that the Head Start & Early Head Start Program collaborate for full-day services, CSB has adopted the following selection criteria presented in order of priority, which also meets the regulations of our partner, the State Department of Education, with one exception as noted below\*:

<b>INFANTS &amp; TODDLERS</b> <b>(Aged 0-3, including pregnant women)</b>	<b>PRE-SCHOOL</b> <b>(Aged 3-5)</b>
